# ANTI ACNE COCONUT FOAMING FACE WASH

## BENEFITS

- It helps to remove deep seated impurities from skin.
- It helps to even out patchy complexion and smooth rough skin.
- It helps to retain the natural oils and moisture on the skin.
- A hydrating face wash that removes makeup & dirt without drying out skin.

It is infused with coconut water, aloe vera extract, argan oil & hyaluronic acid that help to refresh, tone, moisturize & protect skin from environmental damage. It leaves the skin hydrated and soft as the actives help to replenish lost moisture to your skin. The face wash also helps to clear blemishes and give you more even-toned skin. It cleanses and helps to restore skin's natural pH balance, fade blemishes and age spots.

## HOW TO USE:

Wet your face and neck. Pump out small amount of the face wash onto the face brush and apply on your skin. Massage your skin with the brush in circular motion to cleanse and remove dirt and dead skin. Wash off with plenty of plain water. As a final rinse splash your face with cool water to close the pores and tone up the skin.

## GOLD SCRUB

A scrub helps in exfoliating your skin. It helps in the removal of dead skin cells that can clog your pores. Dust, dirt and excess sebum are the main reason for most skin issues, including acne. Further, clogged pores can cause inflammations, and when that heals, it causes pigmentations. A face scrub can save you from skin issues like this
